WORK EXPERIENCE

Mobymax, Elenta, and others Remote — Full-stack Developer

Oct 2018 - PRESENT

I was a full-time contractor for Mobymax from Dec 2018 to early 2020. I am now a contractor for an Australian e-Learning company since May 2020. In addition, I do small gigs since 2018 Sep.

Teknasyon Istanbul, Turkey — Sr. Software Developer

Oct 2016 - Aug 2018

I worked as a #PHP / #Javascript Developer on a variety of projects for 7 months. Then I became the lead developer of a long-term travel project which had 8 developers when I left.

Beyn Technology Istanbul, Turkey — Sr. Software Developer

Oct 2014 - Oct 2016

I worked as a co-lead developer of a large scale SAAS project. We used #Laravel as our main framework, and I got the chance to work with popular #Javascript libraries such as #Angular and #Vue.

Superservers.com.tr Istanbul, Turkey — Web Developer

Jan 2014 - Sep 2014

I worked on a lot of different projects ranging from hosting solutions to e-commerce applications.

Alpha Web Development, LLC Seattle, WA — Web Developer

Apr 2013 - Dec 2013

I worked at a small web development business for local shops.

Freelance Istanbul, Turkey — Web Developer

Jun 2015 - Jan 2014

I worked on a variety of projects as a freelancer. Contact me for details.
